Mercedes-Benz

Exterior

Interior

Safety and Quality.

At Mercedes-Benz the vision of accident-free driving is paramount. Because where Mercedes-Benz vehicles are concerned, we take the same uncompromising approach to safety as we do to driving pleasure. There are no compromises when it comes to developing the range of Genuine Accessories either. Perfectly tailored to your vehicle and extensively tested by our engineers, the products not only make an active contribution to your safety but also protect other road users.

The star logo has always signified allure, perfection and responsibility – attributes which are also reflected in the quality of our accessories, all of which further enhance our vehicles' style or sportiness – not to mention their already outstanding comfort. That special sense of design, zeitgeist and attention to detail make a vehicle a true Mercedes-Benz. From that first outward impression to the inner attributes. Quality you can sense just by looking, listening, touching – and of course driving.

Choose your favourite wheels online. Our Accessories Configurator shows you at a click of the mouse how the various Mercedes-Benz light-alloy wheels will look on your vehicle. Visit our website at <http://configurator.mercedes-benz-accessories.com>.

¹ Only with M + S tyres.

Light-alloy wheels are supplied without tyres, wheel bolts, valve caps or hub caps.

EXTERIOR

Make your mark. Genuine add-on parts.

	Item no.
01 Illuminated Mercedes star. Let your star shine. Thanks to fibre-optic cables and LED technology, the central star emblem in your Mercedes' radiator grille lights up when you remotely lock/unlock the vehicle or open the door or boot. Only functions when engine is switched off. Not in conjunction with DISTRONIC (Code 233).	on request
02 Fin attachments for bonnet. Eye-catching high-sheen chromed trim. 6-piece set for the air intakes in the bonnet.	A166 880 0082
03 Illuminated running boards. The aluminium-look running boards are a real eye-catcher. They are mounted at the height of the side skirts and make it easier to get into the vehicle, front and rear. Rubber studs increase safety by preventing slipping.	on request
Door handle recesses. High-sheen door handle recesses in chrome design. Protect the recess behind the door handle from scratches and offer a high-quality, individual look.	
04 Small. Fitted to front doors.	A205 760 4200
05 Large. Fitted to rear doors.	A205 760 4000

Discover a very special extra – the illuminated Mercedes star – and make a sparkling impression as the evening draws in.

Tyre pressure monitor not pictured. Allows you to carry out a quick tyre pressure check on the road or at home. Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Suitable for all motor vehicle tyre valves and for cycle valves. Supplied with leather pouch.	B6 658 8140

Interior.

Get in, sit back – and enjoy. The interior of the GLE Coupé offers unlimited opportunities to create a space that is tailored to your needs. From sports pedals to illuminated door sill panels and multimedia packages – give your style free rein.

01	Garmin® MAP PILOT.	14
02	"BABY-SAFE plus II" child seat.	22

You have reached your destination: freedom. Mercedes-Benz telematics.

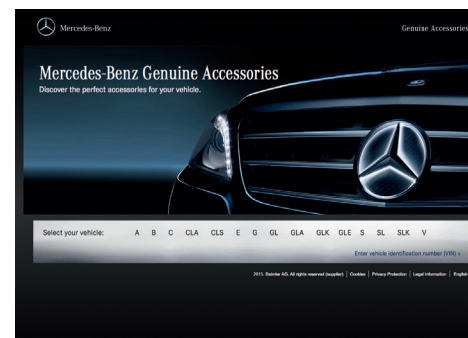

With Mercedes-Benz telematics you have the whole world with you on board. The networking of telecommunication and informatics systems inside the vehicle makes for a totally new entertainment experience. But that's not all. In addition to telephone, audio, video and internet, with the Garmin® MAP PILOT, the multimedia system's high-resolution display delivers navigation at a glance. It's easy to use, features extremely accurate map data and provides precise routing.

All you have to do is insert the SD card featuring the navigation software and map data package then input your navigation requirements using the Controller, the touchpad or voice control, while your Garmin® MAP PILOT takes care of the rest. And to ensure that you reach your destination safely – even in unfamiliar regions – there are 3D views with visualisations of streets and buildings plus junction and lane assistants to make orientation even easier.

Item no.

Garmin® MAP PILOT. Transforms your Audio 20 radio into a high-performance navigation system with 3D map views. Garmin® MAP PILOT uses the standard-fit 17.8 cm colour TFT display and can be conveniently operated via the vehicle's Controller and the Audio 20 keypad. Available for a whole range of countries. For details and the latest updates, visit the Mercedes-Benz Shop at <http://shop.mercedes-benz.com>.

01	Mobile-phone holders¹. When it comes to selecting a mobile phone for your Mercedes-Benz, you've never had so much choice. A simple click! is all it takes to replace the mobile-phone holder. It takes a matter of seconds and is as straightforward as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. Enjoy the benefits of Convenience Telephony to the full. Holders are available for a range of popular mobiles, for example: Apple®: iPhone® 5, iPhone® 4S, iPhone® 4. BlackBerry: 9790 Bold, 9900 Bold, 9780 Bold, 9700 Bold.	
	For iPhone® 5.	A212 820 2100
02	Universal smartphone holder. The universal smartphone holder allows you to use a variety of different phones in conjunction with the vehicle's external aerial. The size of the holder can be altered at the upper and lower edge to offer the optimum fit for each smartphone. The holder is fitted to the pre-installation in the centre console as normal and the smartphone is connected to the audio system via Bluetooth®. The inductive aerial in the holder, together with the connection to the external aerial, ensures optimum reception during phone calls or when using the internet e.g. for MB Apps or internet radio. A list of currently supported phones can be found at www.mercedes-benz.com/connect .	A222 820 6401
03	Mercedes-Benz Bluetooth® (SAP)^{1,2} telephone module. The telephone module ensures that COMAND Online has a fast, stable and secure internet connection via the integral UMTS module and the direct link to the vehicle's external aerial. You can simultaneously talk on the phone, use Mercedes-Benz Apps and have your text messages read aloud. The telephone module can be used as a permanently installed telephone or as a data modem with all of the functions of Convenience Telephony (Code 386): it is operated via your multimedia system and uses the personal contact details on your mobile's SIM card. With USB interface for power supply. The telephone module can be operated via the SIM card in your mobile phone or via a SIM card directly inserted into the module.	A212 906 6303
04	COMAND Online with 6-disc DVD changer. Fully integrated high-end multimedia system with 6-disc DVD changer, hard-drive navigation system, internet browser, telephony plus DVD Video and Music Register, shown on high-resolution 20.3 cm colour TFT display. Can be operated conveniently and safely via your vehicle's control instruments.	on request
05	Europe navigation DVD for COMAND Online and Garmin® MAP PILOT. Did you know that we update 20% of the information on our navigation media every year? Changes include new roads and junctions, altered priorities, new points of interest such as filling stations and restaurants and additional countries, above all in Eastern Europe ³ .	on request
06	Media Interface consumer cables⁴. Control your iPod®, your iPhone® or other devices with a micro USB connection via the multifunction steering wheel or your audio system. Display the song, artist or album/playlist of your choice in the instrument cluster or the monitor of your audio system. And charge your device's battery – via the universal interface in the centre console. For further information, go to www.mercedes-benz.com/connect .	A222 820 8800

¹ Only in conjunction with Convenience Telephony (Code 386). ² SAP (SIM Access Profile) allows the system to access your mobile's SIM card. ³ For the latest navigation updates, visit our online shop at <http://shop.mercedes-benz.com>. Orders can only be placed and deliveries made within Germany. ⁴ Only for vehicles with Media Interface (Code 518).

Please ask your Mercedes-Benz partner whether your mobile phone is suitable for use with COMAND Online.

01	iPad® Docking Station for rear compartment. The mount, which can be tilted and rotated, allows you to position your iPad® to suit your requirements, vertically or horizontally. All of your device's control elements remain fully accessible. The mount and the supplied protective film for the device's screen enhance crash safety. The film also helps prevent the display from being scratched. The mount is very easy to fit to the head restraints without the use of tools. Simply slide the iPad® into the mount until it latches securely into place. Integral charging option – connect commercial charger to 12 V socket.	
	For iPad® 4.	A205 820 6500
	For iPad® Air.	A205 820 7400
	For iPad® Air 2.	A205 820 2301
	iPad® Docking Station for rear compartment not pictured. The ergonomic, crashproof Docking Station introduces the iPad® and all of its familiar functions to your Mercedes-Benz. All connections, e.g. for your headphones or charging cable, remain accessible. The mount is fitted to the head restraint and can be tilted and rotated around 90°. Available for iPad® 2 and iPad® 3.	A218 820 1176
02	Rear Seat Entertainment System, black¹. This elegant DVD system allows the rear passengers to watch DVDs, look at their favourite pictures and even play video games on two superb, tilting 17.8 cm colour screens. Keeping them entertained during your journey – and outside the vehicle, as the monitors can be removed from the mount with a click and used anywhere with the aid of the 230 V/12 V mains adapter provided. The AV-IN connection and the USB, SD card and AUX interfaces allow other storage media to be used too. A separately available video cable allows users to watch videos or view images from external sources. Supplied with two sets of infrared headphones and a remote control. The crashproof, theft-protected docking stations are firmly attached to the seat. Also available as a single monitor set.	A166 870 0796

¹ The system is designed to be retrofitted in your Mercedes-Benz – no factory-fitted pre-installation required.

Arrive in style – before you even set off. Interior accessories.

The GLE Coupé is your own personal comfort zone. You can, for example, extend the modular head restraint system by adding a coat hanger, universal hook or folding table. Add to your vehicle's practical nature with particularly durable genuine

floor mats. Or underline the GLE Coupé's sporty and dynamic side with sports pedals and illuminated door sill panels.

		Item no.
Style & Travel Equipment¹. These head restraint elements are simple to fit and remove. The modular system centres around a base support which can be combined with the product of your choice – coat hanger, universal hook or folding table.		
01	Base support.	A000 810 3300
02	Coat hanger.	A000 810 3400
03	Universal hook.	A000 814 0000
04	Folding table.	A000 816 0000
05	CLASSIC velour mats, set of 4, black. Elegant, high-quality tufted velour mats, featuring metal badge with Mercedes-Benz lettering.	A166 680 0048 9F87
06	SPORTIV velour mats, set of 4, black. High-quality, sporty polyamide velour with loop pile. Metal badge with Mercedes-Benz lettering on driver and front passenger mats.	A166 680 0448 9G63
07	CLASSIC floor mat trays, set of 3, black. Made of robust, washable plastic to cope with the greatest demands. Covers the entire footwell. The raised edges and structured surface help keep the floor clean and dry. With distinctive Mercedes-Benz lettering.	A166 680 3501 9051
08	Illuminated door sill panels, white illumination. A distinctive, eye-catching accessory, whether in daylight or at night – thanks to brightly illuminated Mercedes-Benz lettering, set in an elegant ground stainless steel panel.	on request
09	Sports pedals in stainless steel. High-sheen stainless steel pedals with non-slip stud panel.	A166 290 2601

¹ Only for vehicles with head restraint posts. Not for vehicles with Code 864 (Rear Seat Entertainment System).

Safety. First. Class.

Child safety.

If your seat features automatic front passenger airbag deactivation with seat occupancy recognition (optional extra Code U10), the front passenger airbag is automatically deactivated when a child seat is fitted to the front passenger seat. All child seats can also be used without the ISOFIX attachment system. Mercedes-Benz child seats are available in the “Limited Black” design.

The covers are washable and very hardwearing. Replacement headrest covers are available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in chilli red and flannel grey.

	Item no.
01 “KIDFIX” child seat. Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KIDFIX” seat is secured using the 3-point seat belt and ISOFIT attachment points. For children between the ages of around 3.5 and 12 (15 to 36 kg).	A000 970 3800 9H95
02 “DUO plus” child seat. Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable harness, ventilation channels and ISOFIX attachment points. Adjustable tilt.	A000 970 3700 9H95
03 “BABY-SAFE plus II” child seat. Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg).	A000 970 3600 9H95
Headrest cover. For “KIDFIX” child seat.

Top performers in the world of sport. Genuine bicycle racks.

	Item no.
01 Rear-mounted bicycle rack for trailer coupling, folding. Easy-to-use, lockable rear-mounted bicycle rack, designed to provide secure transport for 2 or 3 cycles. Rack is easy to attach to trailer coupling, and cycles are equally easy to fit to rack. Maximum load capacity of up to 30 kg per rail, making rack suitable for most ebikes. An ingenious roller mechanism means that the boot can still be opened. The rack is easy to fold for space-saving stowage in the boot, at your holiday accommodation or at home.	
For 2 cycles.	A000 890 0300
For 3 cycles.	A000 890 0400
02 New Alustyle bicycle rack¹. Extremely lightweight bicycle rack, designed to be attached to the basic carrier bars. Cycles can either be attached to the rack once it is in place on the roof or before it is fitted. Support frame folds down when not in use to reduce drag when travelling without cycles. Suitable for cycles with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes).	A000 890 0293
Distance adapter for bicycle rack not pictured. Connecting element, required when using the New Alustyle bicycle rack. Easy for the customer to fit.	A002 990 0399
03 Adapter for trailer. For trailer with 7-pin plug.	A000 821 1856
04 Electrically folding trailer coupling. High corrosion protection. Max. drawbar load 120 kg.	on request

¹ Please bear in mind your vehicle's permissible roof load.

Open up – to a new dimension in organisation. Genuine boot accessories.

	Item no.
01 Concertina bags, black. A practical addition to the EASY-PACK load-securing kit (Code 942): these folding, removable bags in robust, washable nylon fabric offer a secure hold for your shopping.	A000 890 0611
02 Luggage-securing feature, black. Ingenious solution to the problem of luggage sliding around in the boot. Attaches securely around the object in question thanks to Velcro fastening.	A001 987 1414
02 Collapsible shopping crate, anthracite.	A203 840 0020
03 Shallow boot tub, black. Made from impact-resistant, non-slip polypropylene. Suitable for transporting foodstuffs. Structured surface holds separately available stowage crate in place. Vehicle's load-securing rings remain accessible.	A292 814 0000
03 Stowage crate, black. A secure hold for items which are liable to tip over or slide around. Optimum functionality only in conjunction with shallow boot tub.	A000 814 0041
04 Concertina load sill protector, black. Protects the rear of the vehicle from scratches when you're loading up – and prevents dirt from the vehicle from getting onto your clothes. Practical design – can be secured to shallow boot tub or reversible mat.	A212 680 0246
05 Coolbox. Not only cools but warms too. Cools to up to 20°C below ambient temperature – to max. -2°C. Can be switched to warming function. 24 litres. Can be connected to 12 V socket in vehicle or to 230 V power source via separately available rectifier.	A000 820 4206
05 Rectifier. Allows the coolbox to be connected to a 230 V socket at home.	A000 982 0021
06 Tie-down strap, black. Adjustable strap with fastener – ideal for securing items to the load-securing rings.	A000 890 0294
07 Reversible mat, black. With one high-quality velour side and one non-slip side Helps keep the original floor of the boot clean. Can be connected to concertina load sill protector.	A292 684 0300
08 Luggage net, floor of boot, black. Prevents lightweight objects from sliding around during the journey. In pocket format.	A212 868 0374
09 Charger with trickle charge function, 5 A. Checks, charges and revives your battery – even if it's totally flat. Tailored to your vehicle's complex electronic systems.	A000 982 3021
25 A.	A000 982 0321
10 Fluorescent jacket, compact. Optimising safety: this fluorescent yellow jacket with reflective stripes makes you more visible to others.	A000 583 3500
11 Snap-in module, for floor of boot¹. Partition your boot to suit your requirements and prevent the contents from sliding around. The brackets can be freely positioned along the outer edges of the boot floor. The system's telescopic frame provides a secure hold. Factory-fitted pre-installation (Code 942) is not required.	A166 860 0034

¹ With the extension kit for the snap-in module for the boot in place, concertina bags can be fitted in the load area without pre-installation of the load-securing rails (optional extra Code 942).

Light-alloy wheels are supplied without tyres, wheel bolts, valve caps or hub caps.

July 2015.

Please note: changes may have been made to the products since this publication went to press (05/2015). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown, owing to the limitations of the printing process. This publication is distributed internationally. It may contain products and services which are not available in certain countries. Information given regarding statutory regulations, legal requirements and taxation and the consequences thereof applies to the Federal Republic of Germany only and is correct at the time of going to press. Please consult your Mercedes-Benz retailer for final details.
